Telex: 885471 Boatin G

27 -07- 1981

NEW PRESIDENT FOR ICOMIA

At their 1981 Congress in Helsinki, ICOMIA unanimously voted in Mr. David Sanders of the United Kingdom as their new President.

Mr. Sanders has been in the boating industry since 1964. He is Chairman and Managing Director of Westerly Marine - one of Europe's primary sailboat manufacturers with a large international export record.

Mr. Sanders has always been active in the work of both the London Boatshow, of which he has been Chairman of the Board, and also in the U.K. Ship and Boat Builders National Federation, of which Mr. Sanders is a past President.

In the Queen's Birthday Honours List, June 1981, Mr. Sanders was awarded the Order of the British Empire for his services to the U.K. boating industry.

As President of ICOMIA, Mr. Sanders will initially stand for two years, but he will be eligible to stand for a total of four years under the rules of the ICOMIA Constitution.

Mr. Sanders comes in at a time when the worldwide boating industry is having a tough time, but we hope that his term of office will see the industry rise and surpass its past achievements.

President: A. A. HAUSER
Secretary General: A. L. L. SKINNER
Hon. Treasurer: P. BOOMSMA
Members listed overleaf

ICOMIA OBJECTIVES--to promote BOATING as an international recreational activity by establishing the medium for the exchange of information on matters relating to the common interest such as SAFETY, SERVICE, QUALITY and MARINAS, so as to stimulate the sale and usage of boats and their equipment.
